

International Conference on High Energy Particle & Astroparticle Physics (ICHEPAP2023)

Friday, 15 December 2023

Parallel Session 4: Collider (11:30 - 13:00)

time	[id] title	presenter
11:30	[57] Particle physics potentials at Polarised Beam colliders	SINGH, Ritesh
12:00	[58] The upgrade of the CMS electromagnetic calorimeter: future prospects for precision timing and energy measurements at the High Luminosity LHC	PAROLIA, Shubhi
12:20	[66] Multi-Component Dark Matter: Identifying at Collider	PURUSOTTAM GHOSH
